alba BOTANICA™ very emollient Sun Care

With these five sun care products Alba Botanica has you, your friends and your family so well covered you can just ease on into your carefree summer self. We proudly present this collection of very emollient, very protective and very moisturizing broad spectrum sunscreens for Face, Sport and Kids, each in Alba Botanica's fast-absorbing lighter-than-air lotion formula. As well, we present Sport and Kids in a spray lotion so you don't waste a warm weather moment!

Did we mention there's no oxybenzone, PABA, artificial colours, parabens, harsh preservatives, synthetic colours or fragrances, phthalates or sulfates? Just saying...

Alba's non-mineral sunscreens absorb and dissipate the sun's harmful rays in a glide-on formula that covers quickly and easily without residue. Our 100% vegetarian formulas are broad spectrum, offering both UVA and UVB protection with SPF 40. They're fragrance free, non-greasy, pH balanced, water resistant and, of course, dermatologist tested.
