

ric
little

creative director

a world and wealth of experience
in fashion/retail advertising, and
fashion magazine editorial art direction.
A deep affinity for luxury goods
and a unique passion for conveying
their quality and stylish splendor.
food {glorious food} and home décor
in all their richness...
these are my stock and trade.

i capture the essence and style
of your product, your company.
i infuse it with my understanding of
aspiration and desire.
i make the ordinary extraordinary,
the beautiful, breathtaking
